Cook

In the 19 years since Rochester Community Care Home, Inc. opened Park House, 111 individuals have called Park House home and continued to enjoy the people and places they have held so dear in our neighborhood. On behalf of our past and present residents, as well as their friends and families, thank you for all the support you have lent over the years!

Park House has gone through many changes in 2010, and anticipates continuing its evolution next year as we work to maintain vital community services in light of challenging economic times. Please refer to the back page of this newsletter for some of exciting news about our updated website and new partnerships that will help result in additional volunteerism and funding support directed to Park House! As always, if you have any questions you can give us a call. 2010 will also mark the conclusion of George and Mary Goding's 19 years of dedicated service to the organization! We will all no doubt miss George and Mary's shining presence, but trust they will visit us often!

In these trying times, we are all carefully examining where our money goes. With your contribution to Park House, you can be assured it is being used to help provide our valued community elders with shelter, nutritious meals and companionship. We hope you will consider a generous gift to help keep this vital resource active and thriving in our community. We also love to share the gift of Park House with the community, please contact us if you would like a tour, to schedule your event, or just to come by and visit!

Sincerely,

Walt Wells
Board President

Juli Reiderer
Executive Director

P.S. Your gift to Park House is tax-deductible; please give generously!

generosity escaped
mention.

parkhousevt@myfairpoint.net

This year we have had the marvelous good fortune to have our website rebuilt by the kind, generous, and talented Cynthia Ryan. Please check us out on the web at parkhousevt@myfairpoint.net.

Flocking Fun

The creativity of our Trustees is a never ending fount. We hope everyone had a flock of fun with our pink friends this summer. The community's enthusiasm for decorating the lawns of friends and family members helped Park House to raise over \$1800 and kept our volunteers busy seeing our local sights all summer long.

Welcome Rochester High School

Through Central VT Big Picture Academy of Rochester High School and the Rochester National Honor Society Rochester High School students have recently begun a system of regularly volunteering at Park House. We appreciate the enthusiastic generosity of these students and the caring staff of Rochester High School. We have only just begun and already the residents of Park House are enthusiastically recounting their fun.

Another Opportunity To Support Park House

When the basement flooded in the spring of 2008, Park House was the fortunate recipient of United Way of Addison County Anne Ginevan Special Project funding. Inspired by that experience, we decided to pursue partnership with the United Way. This year we have been awarded funding from the United Way of Rutland County. The United Way of Rutland County serves Rutland County, including Pittsfield, as well as the towns of Stockbridge and Rochester. Currently, we are pursuing a closer relationship with the United Way of Addison County which serves Addison County, including the towns of Granville and Hancock.
